#### Wiesenstraße 25, D-89537 Giengen/Brenz

Take the motorway A7 Würzburg / Kempten and leave the motorway at the exit no. 117 Giengen/Herbrechtingen. Follow the major road B492 towards Giengen. (Note: After 1.5 km do not turn left towards Giengen Stadtmitte (city centre)). After approximately 3 km after the motorway exit just before the bridge underpass, turn right onto the road toward the L1083 and then left towards Giengen. After a further 1.9 km you will reach Giengen and pass over the railway line. After 400 m, turn right into the road "Margarete-Steiff-Straße". Follow this road (L1082: Margarete-Steiff-Straße, Burgstraße). Turn right at the traffic lights into the road "Heidenheimer Straße" and follow the main road (Planiestraße, Memminger Straße). After about 1.3 km, turn right into the road "Wiesenstraße" following the bend in the main road and then take the next possible left turning.
